cc: Gian-Carlo Carra, Ward 9 Councillor, Acadia Community Association

January 19, 2016

Dear Tom,

The Acadia Community Garden and Art Society supports The Acadia Community Association's request that the Transportation Department look at traffic calming and bike lane improvements in our community. Traffic has been a community concern for a number of years. The ACA Web Director, Blair, had the opportunity to share the results of our BikeAcadia cycling survey with the Acadia Community Garden and Art Society in November, 2015. There appears to be a desire within the community to find a solution to traffic volumes and speed while increasing cycling safety and infrastructure. We wish to express our desire to participate in, and promote any engagement opportunities that may arise. I can be reached at 403 800 8365

Best regards,

Corinne Sandhurst

President
